Sackville Travel Services Ltd is a Caribbean travel specialist established since 1976 and has built a reputation on honesty, outstanding service, great knowledge and low fares. Sackville Travel has a longstanding relationship with certain airlines which regularly provide them with discounted fares to the Caribbean USA – these fares are sold on to our customers.

Our market is a mix of wholesale and retail – selling to a large database of direct passengers and supplying travel agents UK wide with our special offer fares.

Due to commitment and the volume of sales Sackville Travel have received the branded status British Airways Preferred Partner and a Specialist Partner for Virgin Atlantic, making us one of a small selection of travel agents. And for the second year running we have been awarded the prestigious Virgin Atlantic Presidents Achievement Award, being one of twelve travel agents in the UK, in recognition for outstanding sales & marketing.

For certain regions in the Caribbean, Sackville Travel sell more airline tickets than any other travel company in the UK. It is for this reason that Virgin Atlantic & British Airways recognize Sackville as a major distribution channel and provide discounted fares.

Sackville Travel is an independent travel service based in Brixton employing 21 members of staff spread over three offices making up our retail, telesales and inclusive tours. We are an IATA licensed agent and ATOL bonded by the CAA providing financial security to all our passengers.
